

Rudy.B.Dj is a DJ, music producer and artist with over 30 years of experience in the global music scene. With a career spanning numerous genres – from Dance, Afro House, Deep House, Funky House, Melodic House, Techno, Organic House, Progressive House, Nu Disco, Amapiano, Afrobeat and beyond – Rudy.B.Dj has played at some of the most prestigious clubs and events in the world.

His live performances, ranging from private events in yachts and villas to VIP parties, weddings, birthdays and fashion shows, have won the hearts of an international audience. Rudy has taken his music to Dubai, Europe, Asia and beyond, making dance floors vibrate with his unmistakable mix of engaging rhythms and cutting-edge sounds.

As a music producer, Rudy began his career in the 90s with his first vinyl records, and founded his own label, Macgrower Recording, in 2018. With over 40 productions under his belt, Rudy continues to create original tracks that are listened to and supported on all major digital music platforms. He is a verified artist on Spotify, Apple Music, Amazon Music, and his productions are available on all major digital music stores.

In addition to his career as a DJ and producer, Rudy.B.Dj is also a prolific remix creator. He has two YouTube channels: one dedicated to his original productions and the other to unofficial remixes of international tracks that he uses in his live sets.

Always evolving, Rudy.B.Dj continues to push the boundaries of electronic music, taking his passion for sound to new heights, and always looking for new opportunities to collaborate and create unique experiences for his audience.
